## **MEDIA RELEASE**

March 13, 2020

**Priority: HIGH**

**FOR IMMEDIATE RELEASE**

### **Classes for Adult Education Programme Suspended until Further Notice**

The Ministry of Social Development and Family Services wishes to advise that following a decision by the Government to have all places of learning closed for one week, training for the Adult Education Programme which was scheduled to commence from Monday March 16, 2020 has been suspended until further notice.

This has become necessary given efforts to slow the potential spread of COVID 19, due to exposure to mass gathering at public spaces

The Ministry of Social Development and Family Services remains committed to offering these training opportunities to the national community, and will advise on the commencement of the classes in due course.
