### **“We are living in a time when we need to see God's purpose manifest in the nations of the earth” says Minister Cox at ‘Speak to Nations’ Conference**

“I firmly believe that we must always be ready to hear what God is saying.” This, according to Senator the Honourable Donna Cox, Minister of Social Development and Family Services, who lamented that we, as a people, must continue to listen to the voice of God, so that His will, will be heard, loud and clear in the hearts and minds of our leaders and all people. Minister Cox was at the time, delivering remarks at the ‘Speak to Nations’ Conference, held at the Open Bible Cathedral, in Point Fortin, on February 3, 2023.

Minister Cox launched her remarks stating that she feels privileged to be part of the Conference. “I can confidently state that the Government of the Republic of Trinidad and Tobago is in support of this event and the efforts of any community-based organization, non-governmental organization or faith-based organization such as the Church, to improve the spiritual health and general well-being of our people...our families, our vulnerable citizens.”

While quoting a Proverbs verse from the Bible, Minister Cox told the audience that these type of spirit-led Conferences are all about raising the level of righteousness in Trinidad and Tobago. “We have the power to declare what we want to see in this Nation and in other nations around the world” said Minister Cox. She also noted that we are living in a time when we need to see God's purpose manifest in the nations of the earth.

According to Minister Cox, “God promises to answer when we make declarations to the principalities and powers that rule over our Nations but we, as his people we must first humble ourselves, pray and turn from our wicked ways, and then He will hear from Heaven and heal our land.”

In closing, Minister commended the Open Bible Cathedral team for having the spiritual foresight to organize the conference. She further encouraged all attendees to continue to seek the face of God and intercede for the nation.

Also in attendance were Pastor Sunil Goorie, Host Pastor; Prophetess Cindy Jacobs, Co-founder of Generals International; Reverend Dr. Benjamin Agard, National Director, Open Bible Standard Churches and other Ministers of the Gospel.

The Ministry remains committed to developing partnerships in an effort to ensure that the most vulnerable are not left behind.
